

Filo

Padded bed with leather or fabric upholstery, designed to provide the answer to your space problems. The bedframe flush with the mattress is 210 cm deep, while the headboard is available both in the same width as the mattress as well as in the protruding version to create two side storage or display surfaces. The feet are made of clear methacrylate.

Finiture Finishes

Padded:

*upholstered in removable fabric,
eco-leather and leather non-removable*
